♥ DEMYSTIFYING THE MYSTICAL VRINDAVAN ♥

The path of spirituality is very confusing in this fast-paced westernised world that we are living in today's times. Majority of people are mostly unaware of the inner search and hardly rare few ones care about finding the actual purpose of life, cause of pains and answers to the deeper meaning of life.

People are often entrapped in worldly affairs, live with depression, and fight so many battles on a daily basis that they don't really have time, energy or right guidance to ponder over inner questions, even though they want these queries answered deep down.

'Demystifying the Mystical Vrindavan' is a scientific research presentation and theological thesis into gradual spiritual journey to the innermost confidential *Vrindavan Prema Rasa!*
